

The background is a vibrant, cartoon-style space scene. It features a large orange planet with many craters in the top left, a blue and red rocket in the top right, a purple planet in the center, a red and orange planet on the right, a green and blue planet on the left, and a large Earth-like planet with blue oceans and green land in the bottom right. There are also several smaller planets, stars, and a rocket in the bottom left. The central text is on a light blue rectangular background.
